## International Latin Rumba with Silke

Instructor - Silke

It gives me great happiness to be able to inspire people and show them what they are able to accomplish, often beyond their own beliefs. To watch them transform to become the best dancer they can be is the most rewarding gift to me.
I have helped people to overcome depression, low self esteem issues and helped them to find joy through dance.

Something just takes over when I dance and I feel most alive and in the moment. I love music and expressing the sound with movement. It reminds me what joy is and why I was born. It is my greatest passion and what I live for with all my heart.
